

HAVANA SKATE MARATHON 2022

ANNOUNCEMENT

The Cuban Skating Federation invites all skaters from federations, clubs, leagues and countries to participate in the Havana Skate Marathon to be held from December 2 to 4, 2022 in Havana, Cuba.

Havana currently holds the title of Wonder City, among other things for its mythical appeal, the warm and welcoming atmosphere and the charisma and joviality of its inhabitants.

The organizing committee has designed an event that merges with Havana, that is part of it and hot invasive of its spaces, taking advantage of both the historical heritage and the social and spiritual aspects of the city.

Its historical and contracting buildings, its antique cars and its charismatic people make the capital of all Cubans a different attractive venue.
